

CODE OF ETHICS

I will, as a building official, regard myself as a member of an important and honorable association.

I will conduct both my personal and official life so as to inspire the confidence of the public.

I will not use my profession and my position of trust for personal advantage or profit.

I will regard fellow members with the same standards as I hold for myself.

I will never betray a confidence or jeopardize the operation of a fellow member.

I will avoid alliances with those whose goals are inconsistent with an honest and unbiased performance of my official duties.

I will make no claim to professional qualifications which I do not possess.

I will be loyal to superiors, subordinates and to the organization I represent.

I will bear in mind always that I am a professional and that to protect and serve the public is my ultimate goal.
